## FOLKTALE LIVE STREAM WEDDINGS

Let us create a beautiful, intimate wedding experience for you and your wedding party, streamed to all of your friends and family.

We will craft a custom ceremony for the couple and ten guests in The Rose Vineyard, surrounded by our Estate Sangiovese grape vines. Then celebrate the newlyweds with a toast, first dance, and cake cutting, all live streamed to additional family and friends via Youtube, Facebook Live, and/or Zoom to help celebrate together. With our state of the art AV and up to (5) cameras, your friends and family will not miss a beat! Included with each package are bottles of Folktales Sparkling Rosé, a wedding cake from Rise + Roam Bakery, flower bouquets for the Bride and Maid of Honor, as well as boutonnieres for the Groom and Best Man.

Complete your wedding package with optional add-ons:

- Personalized bottles of Folktales Brut mailed to all virtual attendees so they may join in with the toast!
- Ceremony Officiant
- Photographer
